died in 1896

Through oversight last week we neglected to mention the death of Jens Holgerson which took place at the home of C. J. Aalborg January 2, 1901, at the advanced age of 86½ years. He came to this country from Denmark in 1867 and and settled in Racine, Wis. He came to Dakota two years later and settled in Turner county. He has one daughter living—Mrs. C. J. Aalborg. His wife died about six years ago and since that time he has been making his home in the Aalborg family. The funeral took place January 4th.
