## "Song in the Wind"

This musical comedy, under the direction of Mrs. Knutson, was highlighted by many of our country's most loved and famous folk songs. Song In The Wind is the story of the talented young folk singer, Dori--Vickie Stortvedt, who became involved with Ken--Gary Mark, a cynical researcher for a recording company. Together they played out a comedy of errors to the consternation of a musicologist--Rex Keller, who is hoping to further Dori's career.

"Why hurry to school, it's still there when you get there."

Duane Spomer

"I've changed my mind, but it doesn't work any better."

Tanya Thorson

"A quiet girl, but quite a girl."

Kendel Tronbak

"Loaf and I'll loaf with you. Study and you'll study alone."

David VerBeek

"I'm a school boy with a spark of genius, but right now I'm having ignition trouble."

The Senior class officers spent a busy year preparing their class for the memorable events to come. Quentin Christensen guided the class as president along with Susan Jespersen as student body representative, Paula Sorensen as vice-president, and Wayne Kost as secretary-treasurer. The Senior class did have many memorable events starting with the Homecoming at the beginning of the year, along with their Senior class play, the Junior-Senior Prom and finally graduation. The year was indeed busy and went so very fast, but it was a year the Seniors of 1971 will never ever forget.
