Faith Eleanor Christiansen was born July 31, 1933, to Chris Miller Christiansen and Jennie (Petersen) Christiansen on a farm near Viborg. She attended Viborg public school, and graduated from Viborg High School as her class Valedictorian in 1951. Following her graduation, she moved to Sioux Falls where she attended Nettleton Commercial College and completed the secretarial training course.

After completing her training she worked for Anchor Casualty Queen City Insurance

Company as a receptionist until she began employment at IBM where she was an executive secretary. Faith retired from IBM in 1992 after 23 years of service.

Faith was a member of First Lutheran Church where she was active in the Women's Circle and worked tirelessly in preparing for and conducting the annual bazaar. She volunteered in the Sioux Valley/Sanford Hospital

gift shop for 30 years. Faith enjoyed traveling with her sister and brother-in-law and playing bridge in two bridge clubs when she was at home. During summer evenings she could be found sitting in her garage with the door open greeting passers by and visiting with neighbors. She also devoted herself to taking care of her Mother and Sister and brother-in-law during their later years. She made countless trips to Viborg and Beresford to visit and care for them. Her friends and acquaintances will remember that she was very meticulous and set high standards for herself and coworkers.

Faith is survived by several cousins and their families as well as many friends. She was preceded in death by her parents, and her sister, Ruth, and her brother-in-law Ellsworth.

Blessed be her memory.
