CRAMER, Dr. Lloyd

January 13, 1886
Omaha, Nebraska
November 8, 1956
Hot Springs, South Dakota

Viborg Enterprise - November 15, 1956
Viborg Enterprise - November 15, 1956

Funeral services for Dr. Lloyd Cramer were held on Saturday at the Veterans Administration Hospital in Hot Springs. Dr. Cramer, a resident of Hot Springs for the past 27 years, was at one time a doctor in Viborg.

Dr. Lloyd L. Cramer practiced medicine in Viborg from 1920-1929. His office was located on the 2nd floor of the Allen Brothers Drug store on the north side of East Park Avenue. He graduated from the Creighton University School of Medicine in 1911. After interning at St. Joseph Hospital in Omaha, Nebraska, he began his first private practice at Harrison, Nebraska. He served in the Army Medical Corps during World War I and returned to private practice following his discharge by opening an office in Viborg. He and his wife, E. Marion (Carter) Cramer adopted a daughter in 1922 while living in Viborg. Her original name was Marilyn, but upon the death of Marion in 1928 in Viborg, the daughter's name was changed to Marion in honor of her deceased mother. Dr. Cramer left Viborg in 1929 following the destruction of his office and medical equipment by a fire that also destroyed the Allen Brothers drug and variety stores. He then became a member of the Veterans Administration Hospital staff in Hot Springs, South Dakota where he served for 26 years.
