Glenn Lineback

Glenn Emery Lineback, age 50 of Volin, SD passed away at his home on Monday, September 18, 2006. Glenn had fought a courageous battle with cancer for the past several months.

Memorial services were Friday, September 22, at Our Redeemer Lutheran Church, rural Irene, with scattering of ashes at a later date.

Glenn was born July 14, 1956 in Sioux Falls, SD to Emery and Joyce (Friman) Lineback. The family lived in the Viborg and Irene communities, where Glenn attended Cornbelt Country School during his elementary years and Irene High School where he graduated in 1974. He was baptized and confirmed in the Lutheran Faith. He was a member of Our Redeemer Lutheran Church.

After graduating in 1974, Glenn joined the United States Army. Following his discharge from the service, he attended Rapid City School of Mines, later transferring to Spearfish to attend college.

Glenn met Sandra Sorenson in March of 1981. They were married on November 27, 1982 in Yankton, SD. They made their home in the western part of the state, including Rapid City, Spearfish and Newell. Glenn held various jobs during his life; one of the most unusual of his jobs was deboning rattlesnakes and pheasants. In 1998, he and his family moved back to Yankton where he drove truck, including moving Governor's houses for the state of South Dakota. He retired in the later months of 2005 due to his illness.

Glenn loved to hunt and fish, and also cooking, which he was very good at. Family and friends will remember him for his great sense of humor and his laughter.
