ENOCH BAK PASSAD AWAY FEB. 7

Died From Disibility Received During War

Enoch Bak, a veteran of the World War, who has been a patient in ward 3 since last November, died Sunday evening, February 7th, aged 30 years, 10 month and 16 days. Mr. Bak was a native of this state, residing at Irene, S. D. He enlisted in Co. G 339th Machine Gun Batallion, June 28, 1918, and served for one year, during which time he was overseas and saw active service at Haute Alsace during the fall of that year. He leaves a wife, Mrs. Alice Bak, who was with him at the time of his death and took the body back to their home for burial. The kindly thoughts and remembrances of his many friends here will go with him to his last resting place, and it is the hope of all that the members of his family may find comfort in the fact that he has given willingly, gladly, his all for his country.—Hot Springs Star.
