Our Savior loves the children, He
is a friend so true,
The little babe He bringeth to His
Father;
He who commands the billows and
rules the heav'ns blue,
Will into His arms the children
gather.

O Lord who once hast blessed us
and opened Paradise,
Some morning bright we Thee
shall meet up yonder;
Thou taughtest us to pray and to
Thee lift our eyes,
We praise Thee and at Thy mercy
wonder.
