Obituary.

Died—At his home in Viborg, on Friday, August 26, 1910, Nels H. Morrison. Mr. Morrison was born in Garnen Bjornager, Mosbjerg Sogn, Denmark, Aug. 13, 1842. He came to this country and took up a homestead in Daneville township in this county in 1872. On the 12th of April 1872 he was married to Christina Carolina Holm and to this union ten children were born, who all survive him. Mr. Morrison has lived a noble life and raised a noble family. He was of a friendly disposition and was not known to have an enemy. It was the writer's good fortune to haue known him long and well, and we only knew him to esteem him more highly as the years passed by. Today we miss his kindly smill and friendly greeting. Only last Saturday we sat before his bier in the churh near the scene of his youthful, happy days. Besides a devoted wife he leaves ten loving children. Interment took place last Saturday in the Baptist cemetery.
