VIKING ECHOES

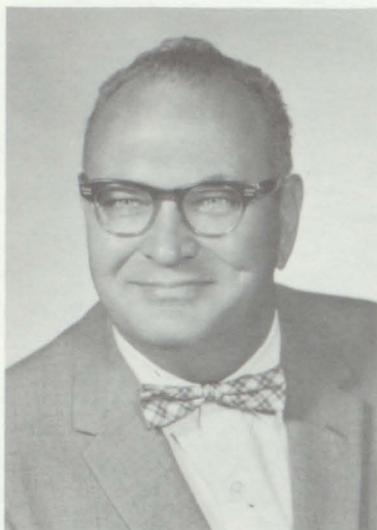

Viborg Public School

The members of the Viking Echo Staff of 1961 are dedicating this annual to the superintendent of our school, Mr. Ervin Schultz.

- because he has a sincere interest in the welfare of students and faculty alike;
- because he has administered our High School with an unusually high quality of dignity of leadership;
- because we all appreciate his honest understanding of student and faculty problems and has the ability to make school problems seem less distressing;
- because of his genuine love of teaching students and our appreciation for his contagious and generous sense of humor.

It gives me great pleasure to be the one to write this introduction to the "Viking Echoes". First, Mr. Osloond and his staff receive very sincere congratulations for making this yearbook possible. A congratulations to the students of VHS who are receiving this annual. Without the complete cooperation of the student-body this treasure of High School Days would not be possible. We who are older realize the importance of a yearbook, and soon you will see that this annual will be more important to you. Each time you look at this annual and relive the memorable events, you will treasure it more highly. To you students--take care of this book, cherish it, and enjoy it.
