DEDICATION

To Annie M. Widlon, Class of 1916, the Viking Echoes Staff dedicates this yearbook.

Graduation Day in May of 1916 was a proud and happy day for me, the first and only graduate of Viborg High School. Now today, 50 years later, I am happy and proud of the honor given me--the dedication to me of the 1966 Viking Echoes. You asked me to write a few words of wisdom but my thoughts are better expressed in the following quotation by Max Ehrmann in Disiderate: "Go placidly amid the noise and the haste and remember what peace there may be in silence. As far as possible without surrender, be on good terms with all persons. Speak your truth quietly and clearly, and listen to others, even to the dull and ignorant; they too have their story. With all its shame, drudgery, and broken dreams; it is still a beautiful world."

Believe in yourself, dare to take a challenge to do a job, and work toward a goal; then remember as you go through life, you measure your wealth by the number of friends you have made. What a wealthy person I am!!!

My sincere thanks to the staff of the Viking Echoes and to the Graduating Class of 1966. My best wishes for a happy future as you go out into the world.
