The background is a textured gold color. A diagonal band of a smoother gold color runs from the top left to the bottom right. On the left side of this band, there are several decorative geometric shapes: a small diamond with a dark center, a larger diamond with a dark center, a complex jagged shape with a dark center, and another small diamond with a dark center. On the right side of the band, there are three small diamond shapes, each with a dark center, arranged vertically. The title 'VIKING ECHOES' is written in a bold, white, sans-serif font on the diagonal band.
